Dear Sirs,

Sub: Intimation pursuant to Regulation 30 of SEBI (LODR), Regulations, 2015
Re: NELCO's Wholly Owned Subsidiary received IFMC Authorization

This is to inform that, Tatanet Services Ltd., (TNSL) a wholly owned subsidiary of Nelco Limited (NELCO) and India's fastest growing VSAT (Very Small Aperture Terminal) Service Provider, has received from Dept. of Telecommunications, Govt. of India, an Authorization Certificate for providing In Flight & Maritime Connectivity (IFMC) services. This is as per the Flight & Maritime Connectivity Rules, 2018 announced by the Central Government in December 2018, which has opened potentially large market for the satellite communication industry.

TNSL, with this authorisation and its available state of the art technology infrastructure, high quality VSAT services and knowledge of the market, is well poised to offer seamless connectivity services in aircrafts and moving vessels. This will help in future growth of consolidated NELCO.
